DEAR PARENTS AND CAMPERS

The Waller High School baseball staff along with our excellent camp instructors are very pleased and excited about the opportunity to help develop your baseball skills and knowledge. We hope to offer each camper a sound background on the basic fundamentals as well as a few updated techniques to help raise your level of play. The camp will be conducted at the Waller High School baseball complex, located at the high school. It is our intention to allow each camper the opportunity to make new friends and to know the Waller baseball staff on a personal basis. This is a great way to promote the game in one of the up and coming programs in the area!
