August 31, 2009

COMING UP

Wed, Sept.9 –
Kindergarten Open
House 5:30-6:30pm
Thurs – Sept 10-
Grades 1-5 Open House
5:30-7:30pm

YELLOW REGISTRARTION FORMS – PLEASE UPDATE AND RETURN TOMORROW

What Can You Do At Home to Help?

Establish routines for homework, play, TV, bath and bed time. Have a designated place for school items that need your attention. *Most importantly – insist that your child take responsibility for their learning.*

DID YOU KNOW?

Arrival to School

Students will have supervision beginning at 7:15am – please do not drop off students prior to 7:15am.

ABSENCES, LATE ARRIVALS AND EARLY CHECKOUT!

Please convey the value of education by getting your child to school promptly and keeping them in class until dismissal. There is a significant correlation between good academics and attendance so please insist that your child come to school when symptoms do not suggest a strong possibility of being contagious. Attendance for the full school day will be closely monitored (including excused and unexcused absences). This year, we are dismissing students to the classroom at 8:05am for additional interventions, morning work, centers, clubs for grades 3-5, etc. This is an excellent opportunity for your children! Students will be tardy at 8:31am. If your child must be absent due to illness, the school must be notified of the reason in writing along with the date, the child's first and last name and parent/guardian's signature. Per district policy, a principal or assistant principal may require a physician's verification of an illness at any time. Also, continuing this year, parents/guardians will be called to verify when a student is absent. We thank you in advance for your help with excellent student attendance!

PTO NEWS

Please find in your child's Monday folder a PTO Membership Information – there is no obligation to volunteer – you will not be called unless you request to be called.

Fundraiser

Big Events Fundraiser will go home Friday!!!! This is a catalogue sale. If a child sells 8 items they will get to come to the Big Events Inflatable Party!! Be on the lookout for all the FUN information!

Summer Reading and Math Challenges

Make sure to return your child's reading logs no later than Thursday this week! We will have the reading challenge party on Friday! Math challenge quizzes will take place next week.

Handbook Forms

Please make sure that you have returned all of your handbook forms – those are very important forms that we must have on file!
