Veteran’s Day Happenings

4th Grade will be conducting the Veteran’s Day Music Program this year on Thursday, November 12th that we would like to invite everyone in the community to attend!!! We will host a spaghetti dinner for \$6.50 plate beginning at 5:45pm and the show beginning at 7pm. You do not have to purchase a dinner ticket to attend the program just a dinner option for you and your family. **We will offer pre-sale dinner tickets on-sale now through Nov 11th.** Pre-Sale dinner tickets are guaranteed meals – after that there will be 100 first-come/first-serve meals.

We will also be doing the Veteran’s Dedication Wall again this year – these forms are also going home today - \$2 for a dedication paper and flag to be hung on our Wall of Honor & Remembrance.

PTO will also be on hand at this event to answer any questions you may have, give updates on PTO, and have sign-ups for the various Breakfast with Santa Committees!

We hope that you can make it out for a great event!

Breakfast with Santa –SAVE THE DATE

It is hard to believe that we are already planning this Fun event! Breakfast with Santa will be Saturday, December 12, 2009! Gina Sims is the Chairperson for this year’s event and is seeking volunteers for various committees.

Committees:

Decorating, Live Auction, Silent Auction, Kid’s Games/Carnival, Pictures with Santa.

There are 3 easy ways to sign up to help: sign up at the school, call Brandi McGrew at 936-372-5665, or contact Gina Sims at ginasims@peoplepc.com. This is a huge event for our school and it can not be pulled off without the awesome help of the wonderful volunteering souls of Fields Store Elementary.

You will not be obligated to the entire day if you don’t want to. There are opportunities for helping before the event and/or during the event.

There will be planning meetings every Thursday at 8:30am at FSE for anyone interested in helping with Breakfast With Santa.

Also, start thinking about anything that you might have for a silent auction item or items or contacts for items for the live auction – Gina will also be collecting those or you may bring them up to the school.

Grade level basket items need to be turned into your child’s teacher no later than Nov 13th.
