NEWS BY PRINCIPAL MERILYN GODWIN

PARENT/TEACHER CONFERENCES

Parent/Teacher conferences are scheduled for Thursday, October 1, 2009 at Holleman. This is a student holiday, so teachers will be available to conference with parents from 7:30 a.m.-3:30 p.m. Babysitting will be provided at school while parents are visiting with the teachers. If you have not scheduled a conference, please call

the office at 936-372-9196 to set up a conference with your child's teachers.

Educating our students is a team effort between the school and the home. The parent/teacher conference day is an excellent time for parents and teachers to communicate about the progress of the students and plan together to help the student be successful. We look forward to seeing all of our students' parents on Thursday, October 1, 2009.

When students are absent, please call the school office at 936-372-9196. When your child returns to school, please send a note explaining the absence and if needed, please send a doctor's excuse. We need documentation of all absences. As always, I encourage students to be at school each day and on time. Our elementary students need to learn good attendance habits, so they will continue these habits as they go on to the higher grades.
